

## The Fruit of the Holy Spirit:

But the fruit produced by the Holy Spirit within you is **divine love** in all its varied expressions:

- joy that overflows,
- peace that subdues,
- patience that endures,
- kindness in action
- a life full of virtue,
- faith that prevails,
- gentleness of heart, and
- strength of spirit.

Never set the law above these qualities, for **they are meant to be limitless**. Galatians 5:22-23 TPT
